

Filled with family-friendly features, this shingle-style home from John Kraemer and Sons combines fresh design with comfort and charm. The gourmet kitchen features Wolf and Sub-Zero appliances and a prep area with wine refrigerator. Wire-brushed white oak floors with an antiqued gray finish run underfoot, while the exquisitely designed dining room is adorned with a v-groove ceiling and two built-in buffets. The lavish owners' suite has vaulted ceilings, a spa bath, and a generous walk-in closet. To top it all off, a sizable athletic court and lower-level wet bar are the perfect plans to entertain.
